If you enjoyed these recommendations and would like to learn more about how music affects our body, mind, and emotions, you can order **Take Two CDs and Call Me in the Morning** from : www.MusicalMedicine.net

TESTAMONIALS

I have given her book to hundreds of people in the U.S. and Asia who are teachers and trainers so they understand the importance of music on learning.

It is easy to read, well researched, and practical.

The appendix is a gold mine.
